

Wateringa

Unlock the power of water!

Wateringa: Energize, purify, revitalize!

Wateringa is a water descaling system worked by magnetic energy, mechanical energy taken from water flow to generate electricity, improve the quality of water, and reduce dormant seeds.

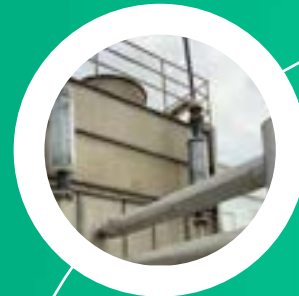

Two reasons that make Wateringa special

1. This product works without any chemical products.
2. It reduces cost for services.

Features:

- Chemical-free descaling procedure
- Eco-friendly operation with electromagnetic waves
- Complete physical reaction to scale removal
- Electricity-free and filterless operation

Product details:

Height	20 Cm
Weight	6 Kg
Voltage	220 V
Product life	10 Years
Warranty	24 Months
Repairable	Yes
